Step 1

Action Go to bank User Id and password create page

Input data http//gtplbank.com/login

Expected result page will display

Step 2

Action Enter Email Address

Input data abd@gmail.com

Step 3

Action Go to login page

Input data N/A

Expected result Empty Field Display

Step 4

Action Enter Genarate User ID

Input data 12345

Expected result System Allow Input

Step 5

Action Enter Genarate Password

Input data 11111

Expected result	System Allow Input
Step	6
Action	Enter login
Input data	N/A
Expected result	System will login
